

Are You the Only One *NOT* Smiling In Holiday Photos?

Begin This Festive Season With A Smile Worth Smiling About...

**Ask About Our
Winter Whitening Special**

Deep within, we are always ready for the excitement and social events that the holiday season brings. Let our team turn your anticipation of a brilliant holiday season into a dazzling smile just in time for those heartwarming family portraits.

So, if you're too embarrassed to smile, have dark-stained teeth, or just simply want a whiter smile, the excellence of KÖR Whitening is just what you might need.

Be prepared to smile for the camera - with confidence with KÖR Tooth Whitening!

Benefits of KÖR Whitening™

- Beautiful, healthy and natural looking results
- Effective even on tetracycline stained teeth
- Low to no sensitivity
- No need to give up coffee, tea or red wine
- Long lasting results!

teeth whitening for a fast, simple way to reverse years of yellowing with less sensitivity and better long-term results than traditional teeth whitening methods.

You don't need an extreme makeover to enjoy a bright, joyful smile.....

The KÖR Whitening System produces the deepest whitening with the least sensitivity and is considered to be the most reliable and effective bleaching system ever developed! Since we began using the KÖR System, we haven't looked back. We are always

striving to stay at the forefront of technique and we are very proud to be one of a small number of practices in

At Port Warwick Dental Arts, we feature the highly regarded KÖR custom

Virginia to offer this special system. Perhaps you have only imagined a brighter, more youthful looking smile. Don't wait for the camera to find you – Call or click today for more Cosmetic options. After all, don't you deserve a smile worth smiling about!?

About Dr Samaha:

Dr. Lisa Marie Samaha graduated from the Medical College of Virginia School of Dentistry, Virginia Commonwealth University, and has been in the private practice of General Dentistry in Newport News since 1982. Her practice philosophy centers on comprehensive dental care, especially for the individual with severe, even debilitating levels of dental disease. Her care also includes cosmetic and periodontal therapy, including the treatment of sleep apnea and snoring, migraines and TMJ problems.
