

# Make Hope ...a Reality

“Every time I come through doors of Port Warwick Dental Arts, I feel so warm and at home and best of all, I leave feeling happy and healthy!

I really like the idea that Dr. Samaha accomplishes so much treatment in such a short period of time! But, even when I am there for a long appointment, I’m never thirsty or hungry. They take good care of me and from what I have seen, they treat everyone as if they were a guest in their home –the service is 5 Star!

I’m so happy to have learned of Port Warwick Dental Arts. Dr. Lisa is the greatest; I’ve never met anyone like her - and her staff represent her so well. I love them all! On a spiritual note, it doesn’t matter what the situation, big or small – my Dr. Samaha can handle it! She made it happen for me and she can do the same for you.

I’m living proof of her beautiful work! I’m so happy God made a woman like her; wise and kind, artistic and honest, but most of all, loved and cherished by many. She really is a godsend.

Thank you Dr. Lisa, for helping me smile again after so many years of feeling embarrassed about my mouth. You gave me true hope from the very first moment we met. And you made that hope a reality.”
