Catie HANKINS

"I always showed too much of my gums when I smiled ...and I love to smile! Because I love to smile really big, it was hard to look at myself in pictures. My teeth looked tiny and my gums looked big. They took over my teeth!

No one else could figure out how to make my smile look better. Immediately when I came to you, Dr. Samaha, for a consult, you knew what to do to make it right. And in no time at all, you gave me a brand new smile, the smile I had always dreamed of! Thank you so much... and right in time for my wedding! Now I can hardly wait to see myself in my pictures! Thanks for your artistic eye, your dental expertise, and your compassionate hands, Dr. Samaha. *I am so grateful!*"
